## In the box

- 1 × Charging case
- 2 × Wireless earbuds (L + R)
- 1 × USB Type-C charging cable
- 1 × User manual

## Specifications

Parameter	Value
Model	H895-B
Wearing style	In-ear
Bluetooth version	V5.4
Operating frequency	2.402 – 2.480 GHz
Max RF output power	< 10 dBm (EIRP)
Transmission distance	≥ 10 m (open space)
Charging case battery	300 mAh, Li-polymer
Earbud battery (each)	40 mAh, Li-polymer
Music playback time	> 4 hours
Talk time	> 3 hours
Charging port	USB Type-C
Charging input	DC 5 V / 300 mA
Charging time	< 2 hours
Speaker / impedance	10 mm / 32 Ω
Operating temperature	0 °C to +40 °C

## Charging

Fully charge the earbuds before first use.

1. Place the earbuds into the charging case.
2. Connect the case to a 5 V USB power source using the Type-C cable.
3. The LED lights red while charging and turns blue when fully charged.

## Turning on / off

- Turn on: Remove the earbuds from the case. They power on automatically and enter pairing mode (red and blue lights flashing).
- Turn off: Place the earbuds back into the case. They switch off automatically and begin charging.

## Pairing with a smartphone

1. Remove the earbuds from the case — they will power on and enter pairing mode.
2. Enable Bluetooth on your phone and search for available devices.
3. Select “TWS” from the list of available devices.
4. A voice prompt or tone confirms successful pairing.
5. If pairing fails, return the earbuds to the case, remove again and retry.

## Touch controls

Function	Gesture
Answer a call	Single tap (either earbud)

End a call	Single tap during call
Reject a call	Long press (~2 seconds)
Redial last number	Double tap (right earbud)
Play / Pause	Single tap
Next track	Double tap (right earbud)
Previous track	Double tap (left earbud)
Volume	Triple tap
Voice assistant	Long press ~2–3 s (if supported)

---

## Safety information

### Hearing safety

- Prolonged exposure to loud sound may cause permanent hearing damage.
- Set volume to a safe level. Limit extended listening at high volumes.
- If you experience ringing or muffled hearing, lower the volume or stop using the earbuds.
- Do not use at high volume while driving, cycling, or in any situation where awareness of your surroundings is essential. Using headphones while driving a vehicle is restricted or prohibited in many countries — follow local traffic laws.

### Battery safety

- The earbuds and case contain built-in, non-removable rechargeable lithium-polymer batteries.
- Do not disassemble, puncture, crush, short-circuit, heat above 60 °C, or dispose of in fire.
- Do not expose to direct sunlight or leave inside a vehicle in hot weather.
- Charge only with the supplied cable and a certified USB power source rated at DC 5 V.
- Stop use immediately if the product overheats, swells, leaks, changes colour, or emits an odour.
- Batteries must not be replaced by the user. If replacement is required, contact the importer.

### General safety

- Not a toy. Keep out of reach of children under 3 years — small parts may cause choking.
- Stop use immediately if skin irritation or discomfort develops.
- Do not use in places where radio equipment is prohibited (aircraft, hospitals, refuelling areas, blasting sites).
- Persons with medical implants (e.g., pacemakers) should consult a physician before use.
- Clean only with a dry, soft cloth. Do not use solvents, alcohol or abrasives.
- Not waterproof. Avoid submersion, swimming and showering. Protect from heavy rain.
- Do not modify the product. Unauthorised modifications void conformity and warranty.
- Store at –10 °C to +45 °C. Operate at 0 °C to +40 °C.

### Compliance and conformity

This radio equipment type FIT2 Wireless Earbuds model H895-B is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity: [www.fit2.shop/compliance](http://www.fit2.shop/compliance)

## Troubleshooting

Issue	Solution
Earbuds do not power on	Charge for at least 15 minutes, then try again.
Cannot find 'TWS' in Bluetooth list	Place earbuds in case, close lid for 10 s, then reopen.
Only one earbud plays sound	Remove both, place back in case, then remove again to re-sync.
Pairing fails	Delete 'TWS' from paired devices on your phone and repeat pairing steps.
Short battery life	Fully charge both earbuds and case; lower volume during use.

## Disposal – Waste Electrical and Electronic Equipment (WEEE)

— The crossed-out wheeled bin symbol [WEEE symbol] indicates that this product and its battery must not be disposed of as unsorted municipal waste. Take it to a designated collection point for the recycling of electrical and electronic equipment, or return it to the point of sale when purchasing an equivalent new product. Separate collection helps prevent harm to the environment and human health, and supports the recovery of valuable materials.

### Battery disposal

This product contains built-in lithium-polymer batteries. Do not dispose of batteries with household waste. At end of life, hand the product to an authorised WEEE collection point where the batteries will be removed and recycled by qualified personnel. Never incinerate.

### Warranty

Warranty is provided in accordance with the laws of the Republic of Lithuania and EU consumer protection law, including a minimum two-year legal guarantee of conformity from delivery. To claim warranty service, contact the importer using the details below. Retain proof of purchase.

### Importer / responsible economic operator
